VILLAGE OF PEWAUKEE REGULAR VILLAGE BOARD MINUTES MARCH 18, 2025

https://www.youtube.com/live/DomjogM08hl?si=wAEmgD6lhFVBZQVo

1. Call to Order, Pledge of Allegiance, Moment of Silence, and Roll Call

President Knutson called the meeting to order at approximately 6:00 p.m. The Pledge of Allegiance was recited, followed by a moment of silence.

Roll Call was taken with the following Village Board members present: Trustee Bob Rohde, Trustee Kelli Belt, Trustee Chris Krasovich, Trustee Kristen Kreuser, Trustee Jim Grabowski; and President Jeff Knutson.

Also Present: Village Attorney, Matt Gralinski; Village Administrator, Matt Heiser; Village Public Works Director, Dave Buechl; and Village Clerk, Jenna Peter.

2. Public Hearings/Presentations

a. Public Hearing on Ordinance 2025-02 to Create Section 40.3674A(2) of the Municipal Code of the Village of Pewaukee Regarding the Conversion of an Outlot to Buildable Single-Family Residential Use Status in the Residential Infill-Redevelopment Overlay District.

Irv Krist, a representative of Cornerstone Development was in attendance for questions.

3. Approval of Minutes of Previous Meeting

a. Minutes of the Regular Village Board Meeting – March 4, 2025

Trustee Krasovich moved, seconded by Trustee Rohde to approve the March 4, 2025, minutes of the Regular Village Board meeting as presented.

Motion carried 6-0.

4. Citizen Comments

<u>Irv Krist- Cornerstone Representative -</u> Irv explained that Cornerstone would like to place a home on the outlot. They came up with floorplans that would fit and conform with the lot size and setbacks. They will eventually need to do a road cut to bring in sewer to that location.

5. Ordinances

a. Review, discussion and possible action on Ordinance 2025-01 Regarding the Operation and Use of Golf Carts on Public Streets.

Trustee Grabowski and Attorney Gralinski gave a brief overview of the Ordinance. Some topics touched on were providing proof of insurance as part of the registration process, having clear guidelines of enforcement for violations, and making sure the public knows they cannot cross any highways.

Trustee Grabowski moved, seconded by Trustee Kreuser to approve Ordinance 2025-01 as presented. Motion carried 6-0.

b. Review, discussion, and possible action on Ordinance 2025-02 to Create Section 40.3674A(2) of the Municipal Code of the Village of Pewaukee Regarding the Conversion of an Outlot to Buildable Single-Family Residential Use Status in the Residential Infill-Redevelopment Overlay District.

Administrator Heiser MH- explained Cornerstone Development approached the Village in 2024 about developing an outlot on Quinlan Drive. The lot did not meet minimum standards for development as

defined in Chapter 40 of the Municipal Code. The Plan Commission recommended the creation of an Ordinance to allow for development on the outlot.

Trustee Krasovich moved, seconded by Trustee Grabowski to approve Ordinance 2025-02 as presented. Motion carried 6-0.

- 6. Resolutions None
- 7. Old Business None
- 8. New Business
 - a. Review, discussion and possible action to direct staff to compose an anti-cruising ordinance.

Grabowski explained that he has been approached by some downtown business owners with safety concerns and congestion due to repeated cruising of certain vehicles. The business owners requested the Village Board look into an anti-cruising ordinance for part of W Wisconsin Ave along the beach area. Grabowski further explained that the Police Chief would be in favor of having some way to enforce this whether it be through camera evidence or other sources.

Gralinski stated many other communities follow the same format in writing a template for this type of ordinance.

Grabowski stated the defining element is the intention behind it. If you have a dedicated point you are going to that would not be considered cruising. Golf carts would be included in this ordinance.

Trustee Krasovich moved, seconded by Trustee Grabowski to direct staff to compose an anti-cruising ordinance.

Motion carried 6-0.

b. Review, discussion and possible action to appoint Jacob Barnes to the Zoning Board of Appeals. Trustee Grabowski moved, seconded by Trustee Rohde to appoint Jacob Barnes to Zoning Board of Appeals.

Motion carried 6-0.

c. Review, discussion and possible action on Temporary "Class B" Wine/Class "B" Beer Retailer's License for the VFW Car Show.

Trustee Rohde moved, seconded by Trustee Krasovich to approve the Temporary Class B Wine/ Class B Beer

Motion carried 6-0.

d. Review, discussion and possible action to schedule a special meeting of the Village Board.

Heiser explained that the business, Myxn, is moving locations and will be taking over the Twisted Vine location. Myxn currently has a Beer/Wine license. There are statutory laws with waiting periods and publications. They are targeting April 11th for a soft opening date. In order for the timing to work out, the owner of Myxn is requesting a Special Village Board meeting in-between April 2nd and April 15th. Gralinski stated in a transfer situation; the parties would come of agreement because the owner of Twisted Vine would need to surrender their current license at the same time. Until the current license holder surrenders, there will not be a Class B Combination license available.

The Board was concerned with setting a precedence for allowing this type of situation in the future. If the Board allows this for one business, then it would have to allow it for all businesses.

Trustee Krasovich moved, seconded by Trustee Kreuser not to schedule a special meeting. Motion carried 6-0.

9. Citizen Comments

No comments.

10. Closed Session. —

The Village Board of the Village of Pewaukee will enter into closed session pursuant to Wis. Statute Section 19.85(1)(g) for the purpose of conferring with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved, specifically regarding: Wisconsin Manufacturers and Commerce, Inc. vs. the Village of Pewaukee Case 22CV000515.

In addition, the Village Board of the Village of Pewaukee will remain in closed session pursuant to Wis. Statute Section 19.85(1)(c) to consider employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility, specifically regarding the position of Utilities Supervisor.

Trustee Rohde moved, seconded by Trustee Krasovich to move into Closed Session at approximately 6:42 p.m. Motion carried on Roll Call vote, 6-0.

11. Reconvene into Open Session

Trustee Krasovich moved, seconded by Trustee Kreuser to reconvene into Open Session at approximately 7:22 p.m. Motion carried on Roll Call vote, 6-0.

a. Review, discussion and possible action regarding Wisconsin Manufacturers and Commerce Inc. vs. Village of Pewaukee Case 22CV000515.

Trustee Krasovich moved, seconded by Trustee Kreuser to proceed as directed in closed session. Motion carried 6-0.

12. Review, discussion and possible action regarding the compensation for the Utilities Supervisor. Trustee Grabowski moved, seconded by Trustee Rohde to approve the compensation as discussed in closed session.

Motion carried 6-0.

13. Adjournment

Trustee Krasovich moved, seconded by Trustee Kreuser to adjourn the March 18, 2025, Regular Village Board meeting at approximately 7:23 p.m.

Motion carried 6-0.

Respectfully Submitted,

Jenna Peter Village Clerk

To: Jeff Knutson, President

Trustees of the Village Board

From: Matt Heiser

Village Administrator

Date: March 28, 2025

Re: April 2, 2025 Regular Meeting Agenda Item 6(a)

Review, discussion and possible action on Resolution 2025-04 To Amend and Confirm the previous Levying of Assessments Against Benefiting Property for the Installation of

Curb and Gutter (Orchard Ave Reconstruction Project).

BACKGROUND

The Village Board approved Resolution 2024-13 at its September 3, 2024 meeting to assess the work performed in the Orchard Ave. project. The assessments were not included on the 2024 tax bills however. To include the assessments on the 2025 tax bills the Village would need approve a new resolution.

ACTION REQUESTED

The action requested is for the Board to approve Resolution 2025-04.

ANALYSIS

None.

Attachment:

1. Resolution 2025-04

RESOLUTION NO. 2025-04

RESOLUTION TO AMEND AND CONFIRM THE PREVIOUS LEVYING OF ASSESSMENTS AGAINST BENEFITTED PROPERTY FOR THE INSTALLATION OF CURB AND GUTTER AUTHORIZED BY RESOLUTION NO. 2024-13 (ORCHARD AVE RECONSTRUCTION PROJECT)

WHEREAS, on September 3, 2024, the Village Board of the Village of Pewaukee adopted Resolution No. 2024-13, a Final Resolution Authorizing Road Reconstruction and Installation of Curb & Gutter and Levying Assessments Against Benefitted Property, Orchard Avenue Reconstruction Project; and

WHEREAS, Resolution No. 2024-13 was duly adopted pursuant to the procedures found in Wis. Stat. Sec. 66.0703 to levy special assessments under the police power on a reasonable basis upon certain described property for the installation of curb & gutter; and

WHEREAS, paragraph six (6) of Resolution No. 2024-13 set forth the method of payment of the assessments levied, including, a direction that the first annual installment of such assessment shall appear on the 2024 tax roll; and

WHEREAS, due to a clerical error, the assessment duly levied by Resolution No. 2024-13, did not appear on the 2024 tax roll; and

WHEREAS, Wis. Stat. Sec. 66.0703(10) provides, in the relevant part, that the Village Board may decide to reconsider or reopen any assessment made under said section and may, after notice and public hearing, amend and confirm the prior assessment; and

WHEREAS, the Village Board of the Village of Pewaukee desires to reconsider the prior assessment made pursuant to Resolution No. 2024-13 under Wis. Stat. Sec. 66.0703(10) only to amend it to the extent called for in this resolution, and to confirm the prior assessment in all other respects.

NOW, THEREFORE, BE IT RESOLVED that the Village Board of the Village of Pewaukee, having reconsidered the prior assessment levied under Resolution No. 2024-13 against benefitted properties for the installation of curb and gutter, amends the prior assessment as follows:

Paragraph 6 of Resolution 2024-13 is deleted and recreated to read as follows:

The assessments may be paid in one cash sum, or in five equal installments to the Village Treasurer, deferred payments to bear interest at the rate of three (3%) percent

per annum on the unpaid balance. Installments or assessments not paid when due shall bear additional interest on the amount due at the rate of three (3%) percent per annum. The first annual installment shall appear on the 2025 tax roll and shall include a proportionate part of the principal of the special assessment determined by the number of installments, and interest on the whole assessment at the above-stated interested rates, per annum, computed from the first day of November, 2025 to the 31st day of December, 2025; each subsequent installment shall include a like proportion of the unpaid portion of the whole assessment; all assessments will be collected in installments as above provided except assessments on property where the owner shall on or before November 1, 2025, pay his assessment in one cash sum to the Village Treasurer, said payment to bear no interest; in the event that any property owner fails to pay his assessment in one cash sum, and in a later calendar year wishes to make such payment, he may do so only upon payment of interest at the above-stated interest rate per annum from January 1st of the given year to the date of actual payment with the exception of the amount placed on the tax roll for collection after November 1st in a given year which shall be paid as part of the tax bill for that year at the above-stated interest rates per annum.

BE IT FURTHER RESOLVED that Resolution 2024-13, its authorizations, and its assessments levied therein, are hereby fully restated and confirmed pursuant to Wisconsin Statute Section 66.0703(10), unless otherwise described by this resolution; and

BE IT FURTHER RESOLVED the Village Clerk is directed to publish this resolution in the Waukesha Freeman, the official Village newspaper as a Class 1 legal notice; and

BE IT FURTHER RESOLVED that the Village Clerk is directed to mail a copy of this Resolution to every property owner whose name appears on the assessment roll whose post office address is known or can with reasonable diligence be ascertained.

Dated this day of	, 2025.

Re: Agenda Item 6(b), Resolution 2025-05, Acknowledgement of the Draft 2024 WDNR NR216

Municipal Separate Storm Sewer Annual Report

Attached is a copy of the annual report summarizing 2024 activities for the Village Wisconsin Pollution Discharge Elimination System (WPDES storm water discharge) permit, an explanation memo, and the resolution. The permit requires that the municipal governing body recognize the report by resolution or other mechanism prior to submitting to the WDNR. The submittal is a fillable pdf type report, and all data collection and the fiscal analysis is provided as online pdf attachments. The current Discharge Permit number is WI-S050105-4, 2024 for the Upper Fox (Illinois) Watershed Group as approved on November 1st, 2024.

Impaired waters in Wisconsin are addressed through an analysis known as a Total Maximum Daily Load (TMDL). A TMDL is the amount of pollutant loading a waterbody can receive and still meet water quality standards. State DNR staff has started effort on a Wisconsin/Illinois Upper Fox River TMDL to meet Clean Water Act requirements, with drafts, public comment period, and full implementation in 2-4 years. This new approved TMDL will likely have significant financial impact with the next and future MS4 permits. The EPA will likely be requiring the WDNR to require the Village to construct water quality improvement projects at locations where pollutants are entering water bodies that exceed the Total Maximum Daily Load as well as continuing to tighten the expectations and processes already in place that are listed in annual submittal.

A report copy will be available for public viewing at Village Hall and on the Village web site.

Recommendation:

The Village Board acknowledge the NR216 2024 Annual Report by adopting Resolution 2025-05, recognizing that elected officials been apprised of the content of the report.

Analysis – None.

Attachments:

- Resolution 2025-05 A Resolution to Acknowledge the 2024 WPDES Storm Water Discharge Permit Annual Report.
- 2. Memo explanation of NR216.
- 3. Draft permit submittal MS4248-2024 for Village of Pewaukee.

STATE OF WISCONSIN VILLAGE OF PEWAUKEE

WAUKESHA COUNTY

RESOLUTION 2025-05 RESOLUTION TO ACKNOWLEDGE THE 2024 WPDES STORM WATER DISCHARGE PERMIT ANNUAL REPORT

WHEREAS, the Village of Pewaukee is required to comply with the conditions of its Wisconsin Pollution Discharge Elimination General Permit (WPDES); and

WHEREAS, the requirement for the drafting, acknowledgement of the report by elected officials, and submittal of an annual report certifying permit compliance is a condition of the permit dated November 1, 2024; and

WHEREAS, the Village Board of the Village of Pewaukee has been appraised of the content of 2024 Annual Report and acknowledges therefore by resolution.

NOW, THEREFORE, BE IT RESOLVED that the Village Board of the Village of Pewaukee does hereby acknowledge the content of the WPDES Permit Number WI-S050105-4, 2024 Annual Report with this resolution.

PASSED AND ADOPTED this 2nd day of April, 2025.

	Jeffery Knutson, Village President

Date: March 19, 2025

Re: Year 2024 WDNR NR216 Municipal Separate Storm Sewer (MS4) Annual Report

Part II

Minimum Control Measures:

Section 1 is a listing of all public education and outreach activities conducted. This is done in a partnership with Waukesha County Parks and Land Use Department.

Section 2 is a listing of public involvement and participation, also conducted by Waukesha County Parks and Land Use Department.

Section 3 is Illicit detection and elimination: the results of visual screening and documentation of the 14 designated major storm water outfalls in the Village. Village Staff inspected and documented each location during a dry weather period.

Section 4 is Construction Site Pollutant Control: documents number of construction sites and number of inspections during the year, and if there were violations. This includes inspections for development sites of 1 acre or more of land disturbance which typically includes private development sites, and Village Street and Utility projects.

Section 5 is Post Construction Storm Water Management: questions how many new storm water management facilities were approved and how many were inspected during the year. A condition of the permit is that at a minimum all facilities used to create the pollutant loading analysis be inspected annually and be in as new pollutant removal condition. This again has not been performed during this or previous NR216 permit periods.

Section 6 is Pollution Prevention including questions on municipal storm facilities, quarterly DPW Storm Water Pollution Prevention Plan inspections, catch basin cleaning, sweeping, leaf collection, and winter road salt use. (48 tons of sweepings, 1,200 cubic yards of leaves, 432 tons of seasonal salt use, 1,435 gallons of brine)

Section 7 is an updated system map generated off of our Geographic Information System showing all known storm sewer piping.

Part III

Fiscal Evaluation:

The Village budgets do not align with the information as the DNR lists it for the report and expects filers to estimate costs. I will proceed with the intent to annually to recover administrative, labor, and equipment costs, and other expenses related to storm water for this report. I will be completing a similar accounting for reporting our yard waste and recycling costs to the County twice a year, and have already submitted an annual weed harvesting report to the DNR.

The remaining sections relate to water quality, TMDL's, requesting more information, and attaching documentation of activities.

Submittal of Annual Reports and Other Compliance Documents for Municipal Separate Storm Sewer System (MS4) Permits

NOTE: Missing or incomplete fields are highlighted at the bottom of each page. You may save, close and return to your draft permit as often as necessary to complete your application. After 120 days your draft is **deleted.**

Form 3400-224(R8/2021)

Municipal Contact Information- Complete

Notice: Pursuant to s. NR 216.07(8), Wis. Adm. Code, an owner or operator of a Municipal Separate Storm Sewer System (MS4) is required to submit an annual report to the Department of Natural Resources (Department) by March 31 of each year to report on activities for the previous calendar year ("reporting year"). This form is being provided by the Department for the user's convenience for reporting on activities undertaken in each reporting year of the permit term. Personal information collected will be used for administrative purposes and may be provided to the extent required by Wisconsin's Open Records Law [ss. 19.31-19.39, Wis. Stats.]. **Note:** Compliance items must be submitted using the Attachments tab.

Village Board

From: Jenna Peter

Village Clerk

Date: March 25, 2025

Re: Agenda Item 8a , Discussion and Possible Action on a Right-of-Way Permit for Beach House Bistro, 161 W.

Wisconsin Avenue, 1J

BACKGROUND

At its June 13, 2024, meeting, the Plan Commission approved a Conditional Use Grant for the purpose of street dining in three public parking spaces immediately in front of Beach House Bistro (approximately 519 sq. ft. of additional dining space). A public hearing on this Conditional Use Grant application was held at this meeting with no comments provided.

ACTION REQUESTED

The action requested of the Village Board is to consider approval of the attached Right-of-Way permit for Beach House Bistro for the purpose of street seating in the area shown on the attached map.

ANALYSIS

The CUG indicates that the parking spaces would be able to be used March 1 through October 31 and continue with this timeframe on an annual renewal basis. This format follows multiple other businesses on W Wisconsin that use the Village right-of-way for street dining purposes.

201 – 300 sq. ft. \$75.00	501 and	up	\$225.00
101 – 200 sq. ft. \$50.00	401 – 50	0 sq. ft.	\$150.00
Up to 100 sq. ft. \$25.00	301 – 40	0 sq. ft.	\$100.00

The current rental charges for the existing uses are based upon the above schedule. Based on this schedule, the rental fee for Beach House Bistro is be \$225 as the square footage is approximately 519 sq. ft.

	quest/Proposed Plan/Layout for Use of Right-of-Way
have been ma documents su The Applican and condition	ertify as the Applicant for this permit that all of the representations which de on behalf of the Applicant to the Village of Pewaukee, as well as all pplied in furtherance of this Application are true accurate and complete. It does further certify that it accepts and agrees to abide by all of the terms is for the issuance of his Permit, including but not limited to the provisions is of issuance set forth below and applicable Village Ordinances. I do

hereby certify that I have been authorized by the Applicant and its governing body to

Signature of Applicant Llazar Konda, Agent

make these certifications.

PROVISIONS AND CONDITIONS OF ISSUANCE:

Pursuant to Wisconsin Statutes and the Ordinance of the Village of Pewaukee, this Permit is granted to allow for the use of public right-of-way for private purposes described herein. The following standard provisions and any included special provisions shall govern this permit:

- Applicant agrees to indemnify and hold harmless the Village of Pewaukee, its officers, employees, agents and assigns from and against any and all costs, claims, demands, actions, suits, liability and/or award of damages, including actual costs and attorney fees, which might arise, be brought or assessed, because of the issuance or performance of this Permit, or because of any adverse effect upon any person or property which is attributed to the issuance of this Permit.
- 2. The terms of this Permit and these conditions of issuance shall apply to anyone acting on behalf of the Applicant, its agents or assigns.
- The permitted facility shall, if necessary, be altered at the expense of the Applicant to
 permit alteration, improvement or maintenance of the right-of-way as may hereafter be
 ordered. The entire cost of construction and maintaining the permitted work shall be the
 obligation of the Applicant.
- 4. Applicant shall notify the Village of Pewaukee not less than one week prior to starting any work in the public right-of-way.
- 5. All disturbed areas shall be returned to their present condition, or better, subject to the satisfaction of the Village Engineer or representatives of the Village of Pewaukee.
- 6. A copy of this approval, along with any plans and special provisions, shall be available at the business named on this Permit.
- 7. Before the commencement/implementation of this Permit, Applicant agrees to provide the Village with evidence of comprehensive, general liability insurance written on an occurrence basis with limits of not less than \$1 Million per occurrence and \$2 Million aggregate, which insurance shall name the Village of Pewaukee as an Additional Insured on a primary and non-contributory basis. Said coverage shall be evidenced by a Certificate of Insurance, as well as a Policy Endorsement, evidencing the Additional Inured status. Coverage shall also provide that notice of termination or material modification of the policy shall be given not less than thirty (30) days prior to the termination of the policy except in the event of termination for non-payment, in which case the evidence of termination shall be not less than ten (10) days prior to the termination event.
- 8. This Permit may be suspended or revoked for cause by the Village Board for any failure to abide by the terms of this permit or any applicable Village ordinances or the statutes, rules or orders of other governmental entities with jurisdiction after written notice to the permit holder and a hearing before the Village Board. In the case of circumstances affecting life or safety, Village staff may immediately suspend the permit and all right-of-way use/operations until such conditions are corrected, until a hearing can be conducted.
- 9. The Permit holder shall remove all tables, chairs, fencing and other material associated with the right-of-way Permit and restore the public way to its original condition whenever public necessity so requires, as determined by the Director of Public Works, or in accordance with the Conditional Use Grant requirements as follows: the parking spaces would be able to be used March 1 until October 31 annually. In addition, the Director of Public Works may order the temporary removal of right-of-way dining facilities for major civic events, approved private special events, emergency repairs or other public improvements. The Permit holder shall not be entitled to any damages when/if removal is required.

10. Annual Permit Fees: \$225 per year PA 3/25/25

From: Matt Heiser

Village Administrator

Date: March 28, 2025

Re: April 2, 2025 Regular Meeting Agenda Item 8(c)

Review and discussion of an update on the Quiet Zone Project.

BACKGROUND

Village engineer Tim Barbeau has been working on this process since late in 2024. The Village President requested an update on this effort at the April 2 Village Board meeting.

ACTION REQUESTED

None. This is discussion only.

ANALYSIS

Tim reports that the current length of the median on Oakton is long enough to meet the requirements of a quiet zone. The Wisconsin Department of Transportation may desire to extend it for safety concerns but it does not need to be enlarged for the Village to qualify for a quiet zone.

The next steps are for Tim to schedule the diagnostic meeting of all the stake-holders.

1. Memo from Village Engineer Tim Barbeau with results of the Quiet Zone Analysis.

MEMORANDUM

DATE: February 21, 2025

TO: David Buechl, Village of Pewaukee

FR: John Bruggeman, P.E., PTOE

RE: Quiet Zone Analysis

Canadian Pacific Railroad Crossings (Forest Grove Drive to Kopmeier Drive)

INTRODUCTION

The Village of Pewaukee is interested in establishing a Quiet Zone along the Canadian Pacific Railroad from Forest Grove Drive to Kopmeier Drive. The at-grade crossings being considered include the following locations as shown in Exhibit 1:

- Forest Grove Drive
- Oakton Avenue
- Wisconsin Avenue
- Kopmeier Drive

Separate quiet zones have been proposed by the City of Pewaukee (east and west of the study area) but have not been formally established.

EXISTING CONDITIONS

The existing conditions at each of the study crossings are shown in Exhibits 2-5. Table 1 provides a summary of the primary crossing characteristics from the USDOT Grade Crossing Inventory at each study location. Grade crossing inventory reports are provided in Appendix A.

Table 1
Existing USDOT Grade Crossing Inventory

Crossing Location	USDOT Crossing #	WisDOT AADT, vpd (Year)	Roadway Width (ft)	Tracks	Track Width (ft)	Existing Safety Measures	# of Daily Trains	Maximum Speed (mph)	Type of Train Detection
Forest Grove Drive	390031X	7,637 (2009)	44'	1	45'	Flashing Lights2-Quadrant GatesRaised Medians	21	79	Constant Warning Time
Oakton Avenue	390530N	6,503 (2022)	32'-36'	1	30'	Flashing Lights2-Quadrant GatesRaised Medians	21	79	Constant Warning Time
Wisconsin Avenue	390532C	4,770 (2022)	25'-32'	1	38'	Flashing Lights3-Quadrant GatesRaised Medians	21	79	Motion Detection
Kopmeier Drive	390533J	500 (2014)	20'	1	32'	Flashing Lights 4-Quadrant Gates	21	79	Motion Detection

The total track length from Forest Grove Drive to Kopmeier Drive is approximately 1.8 miles. The proposed quiet zone extends another ¼ mile east of Forest Grove Drive and ¼ mile west of Kopmeier Drive for approaching trains. No private crossings exist within this segment.

raSmith collected 48-hour weekday vehicle classification counts on the study roadways included in this evaluation in November 2024. The count locations were in close proximity to the WisDOT AADT count locations noted in Table 1. The Year 2024 ADT volumes (rounded) are as follows:

• Forest Grove Drive: 5,900 vehicles per day (vpd)

Oakton Avenue: 8,400 vpd
Wisconsin Avenue: 5,100 vpd
Kopmeier Drive: 400 vpd

Traffic count data and existing as-built plans are provided in Appendix B.

REQUIREMENTS FOR ESTABLISHING A NEW QUIET ZONE

The Federal Railroad Administration (FRA) has established several requirements that must be in place for a crossing to be considered for a new quiet zone. Minimum requirements for new quiet zones include the following:

- Minimum track length of ½ mile
- Flashing lights and gates operating at each crossing
- Constant warning time devices (where practical) and a power out indicator
- Jurisdictional cooperation among all responsible entities within the quiet zone

The crossings evaluated for this study meet the criteria for track length and flashing lights/gates. Constant Warning Time (CWT) devices are provided at Forest Grove Drive and Oakton Avenue, but not at Wisconsin Avenue and Kopmeier Drive. Further clarification and discussion with the FRA is needed regarding the practicality of this requirement for future installation at these two locations.

Public crossings included in the quiet zone must be evaluated using criteria set forth by the FRA to determine their Quiet Zone Risk Index (QZRI) using the FRA Quiet Zone Calculator. This calculator evaluates the existing safety conditions at a crossing and determines the need for additional safety measures to create a quiet zone. To qualify as a Quiet Zone, <u>one</u> of the following conditions must be met:

- All crossings in the proposed Quiet Zone must have a QZRI less than the National Significant Risk Threshold (NSRT)
- All crossings in the proposed Quiet Zone must have a QZRI less than the Risk Index with Horns (RIWH)
- All crossings in the proposed Quiet Zone must have Supplemental Safety Measures (SSM) installed.

Crossings that have a QZRI greater than the NSRT and RIWH must be upgraded using SSMs or Alternative Safety Measures (ASMs) to reduce the QZRI below the NSRT or RIWH.

Table 2 summarizes the existing Quiet Zone Calculator results at the study crossing locations.

Table 2
FRA Existing Quiet Zone Calculator Summary

USDOT Crossing #	Crossing Location	Warning Device	Quiet Zone Risk Index (QZRI) ¹	Risk Index with Horns (RIWH)	Nationwide Significant Risk Threshold (NSRT)	Qualifies as a Quiet Zone?
390031X	Forest Grove Dr	Two Quadrant Gates with Raised Medians (SSM)	7,939.19	4,759.71		
390530N	Oakton Ave	Two Quadrant Gates with Raised Medians (ASM)	13,521.20	27,020.78		
390532C	Wisconsin Ave	Three Quadrant Gates with Raised Medians (ASM) ²	14,897.24	24,138.38	15,488	Yes
390533J	Kopmeier Drive	Four Quadrant Gates (SSM)	3,967.16	2,378.40		
	Total Quiet Zone ³		10,081.20	14,574.32		

¹ QZRI calculated using 2024 traffic count data collected by raSmith

The existing rail corridor operates with a QZRI less than the NSRT and RIWH, which qualifies this segment as a quiet zone. All FRA Quiet Zone Calculator results for the existing conditions are provided in Appendix A.

QUIET ZONE IMPROVEMENTS

The existing at-grade crossings qualify as a Quiet Zone based on the QZRI. All of the minimum requirements (gates & lights, ½-mile track length, and CWT train detection) are met at the existing crossings, with the exception of the train detection at the Wisconsin Avenue and Kopmeier Drive crossings. No additional roadway safety improvements are required.

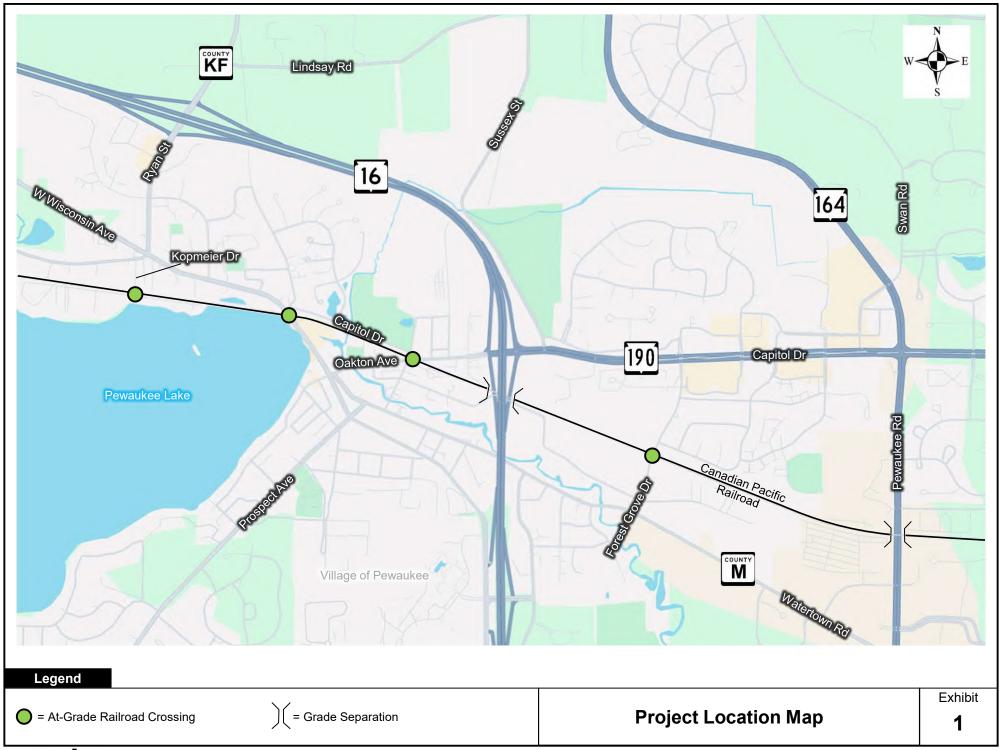

Crossing improvements are proposed to extend the raised median on the east side of the Oakton Avenue crossing through the Capitol Drive intersection. This creates a full-length median (>60') and further increases the effectiveness of the ASM and reduces the QZRI. These improvements are proposed for 2025 installation.

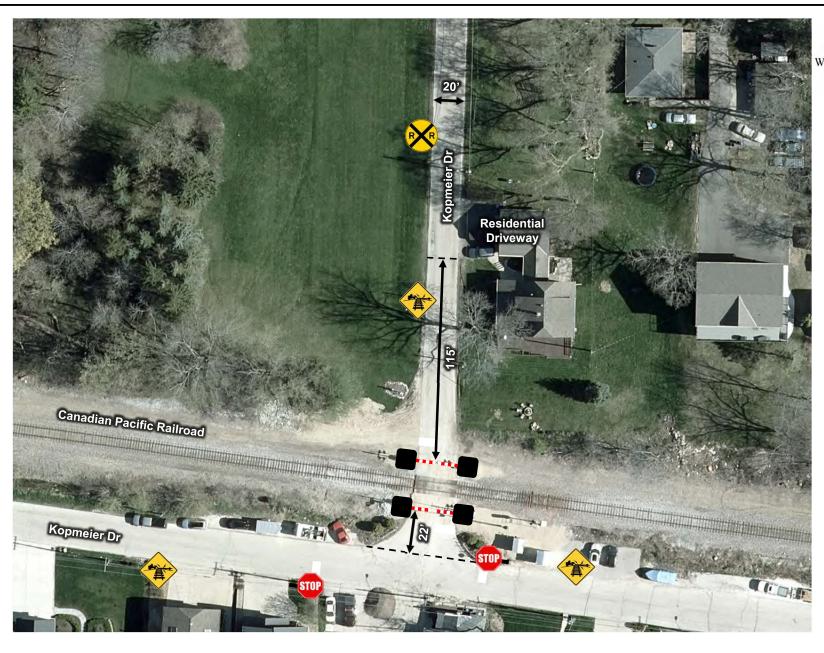

SUMMARY

The Village of Pewaukee is proposing a new Quiet Zone along the CP railroad line from Forest Grove Drive to Kopmeier Drive. No additional safety improvements are required for this segment since the QZRI is less than the NSRT and RIWH. CWT train detection is required (if practical) at the Wisconsin Avenue and Kopmeier Drive crossings. Further discussions are needed with the FRA to discuss the costs and feasibility of installing this type of detection. The next step in the process is to schedule a Diagnostic Team Review Meeting with the FRA, WisDOT, and railroad companies to discuss the requirements and additional procedures needed to attain Quiet Zone status along the proposed segment.

² 30' raised median analyzed on the south leg of the crossing due to a median break for a pedestrian crossing.

³ Total QZRI and RIWH values represent an average for the full Quiet Zone.

SSM = Supplemental Safety Measure ASM = Alternative Safety Measure

QZRI = Quiet Zone Risk Index RIWH = Risk Index with Horns

NSRT = Nationwide Significant Risk Threshold

QZRI

SSM Effectiveness Percentages:

Four Quadrant Gate Upgrade from Two Quadrant Gate, with Medians and no Vehicle Presence Detection = 0.92 Four Quadrant Gate Upgrade from Two Quadrant Gate, No Vehicle Presence Detection = 0.82 Non-Traversable Curb Medians with or without Channelization Device = 0.80 Mountable Medians with Refletive Traffic Channelization Devices = 0.75

RIWH 14574.32 NSRT 15488 Qualifies? YES

^{***} The requirement is to have QZRI < RIWH ***
